

About the Boys & Girls Club

When you join JMG Security Systems on May 15 for their 24th Annual Benefit Golf Tournament, you'll give more than 11,000 Boys & Girls Club kids in our community:

- Free programs like our Oak View Branch and Twilight Education Project where extremely low income families get the help they need to open the door to great futures.
- Homework help, tutoring, STEM and reading programs that help youth succeed in school.
- Character and leadership development programs that teach kids to become great friends and neighbors.
- Health and life skills programs that teach kids to make healthy, smart life choices.
- More than 250,000 nutritious meals provided for hungry kids throughout the year.
- Sports, fitness, and recreation programs that get kids active and using their time in positive ways.
- Arts programs that enrich children's lives and encourage their creativity.

ALL PROCEEDS BENEFIT Boys & Girls Clubs of Huntington Valley

With your help, we'll raise \$100,000 to make it possible for the Club to keep its fees low so that every family can afford the Club's award-winning programs. For those families for whom even modest fees are too much, the Club offers a scholarship program and free programs, like our Oak View Branch where 350 youth attend the Club for FREE each year, all thanks to you.

Your generosity isn't a hand out. It's a helping hand up to hard-working families when they need it most. \$250 sponsors a child for the summer and \$500 sponsors a child for a whole school year.

Please consider sponsoring a child today. Your support will give a family a chance to build a better life and give a child a chance to fulfill their potential and start a great future.
